December 2008

Issue #5

## HAPPY HOLIDAYS!!

Dear Airdale ,

Looking back on 2008, Airdale Brewing has made some pretty good headway. Airdale has gone from a concept to a quality member of the San Diego beer community.

We have seen our beers start to pop up in many fine establishments. With all of our early success, we couldn't be more thankful!

However, we realize the difficulty of maintaining a quality driven, viable brand and pledge to continue to strive for creativity and great craft beer in 2009!

We hope you've had a fun filled Thanksgiving, and we wish you and your family a safe and happy holiday season! Thanks, and ask for Airdale beers at your local pub!!

Cheers,

Tony Clarke

### Airdale "Dark & Stormy" is a BIG hit!

**Airdale Dark & Stormy Imperial Stout**, our latest specialty beer debuted this past Friday at the 12th Annual Pizza Port Strong Ale Festival.

A nose of **roasted gourmet coffee** prepares the palate. A big, bold, full-bodied beer that exhibits a smooth, **bittersweet chocolate** flavor that lasts and lasts! And with a powerful **9.5% alcohol**, this beer is a winter warmer for sure!

So keep your eyes and ears open (or just check our website) as Dark & Stormy becomes available this winter. But move fast, as there is a very **limited supply!**

### Upcoming Events...

Airdale Brewing will be participating in the following events:

- **The Cask Room** will be featuring Airdale Dark & Stormy on December 17th as part of an Airdale Brewing Pint Night. Come out and try our newest beer and with your first purchase you will receive a FREE Airdale Pint Glass to take home!

**Come on out and see us! Thanks for the support!**
